

Fairfield County Safety Incentive Program

July 1, 2016 – December 31, 2016

Purpose

This program is designed to motivate and recognize those employees who perform their job in a safe and efficient manner. This program is driven by leading indicators, which, when performed diligently will eliminate or reduce the opportunity/risk for injuries, spills, fires and property damage.

Incentive program

Anybody can recommend/receive a safety award. Recommendations may be made based on a variety of circumstances.

- A. Behavioral Observations
- B. Near-miss Reporting
- C. Vehicle/Equipment Inspections
- D. Safety Committee Involvement
- E. Innovative Safety Ideas
- F. Other instances deemed appropriate by the Safety Committee

Rules

All recommendations that are submitted will be reviewed by the Safety Committee Awards Review Board (SCARB). The presentation of awards may be done informally, however, they should be presented publicly to recognize team members among their peers.
